Retina Australia and Sipora Partnership

Retina Australia have partnered with round-up app *Sipora* so our supporters can give us their spare e-change every month! What's a roundup app and how does it work? Good question!

Once you have downloaded *Sipora* and linked securely to your bank account(s), *Sipora* "rounds up" every electronic transaction you make on your selected accounts (from coffees to car insurance, from groceries to garden tools) to the nearest dollar by withdrawing an extra small amount from your nominated account and depositing it in your own personal secure electronic wallet. For example, if an item costs \$4.50, *Sipora* will take the last 50c and put it into your electronic wallet, if you have chosen to round-up to the nearest \$1. You can then use this money to help pay off bills, student fees, purchase retail items or even donate a percentage of your electronic wallet to *Retina Australia*.

If you choose to donate, all you need to do - the first time you sign up to *Sipora* - is tell *Sipora* to direct your monthly round-up amount to *Retina Australia*. Then you can be happy in the knowledge that with every spending transaction, you make a difference.

No credit card, no monthly direct debit to worry about - and best of all your tax receipt will be automatically sent to you every month.

HOW TO SIGN UP

1. Download the free *Sipora* app via App Store or Google Play
2. Create your username and password
3. Connect your bank account (Only those accounts you manually choose will be linked to *Sipora*. If you want to link more accounts or unlink accounts you can do so at any time)
4. Enter the code 'RETINA' via the settings button - located at the bottom right hand corner of the *Sipora* navigation bar. You will then see \$0.01 in your electronic wallet, meaning the code has been activated and \$5 will be donated to us from the *Sipora* team
5. Finally, to set up your automatic monthly round-up payments to *Retina Australia*, simply hit the 'Charity' icon at the bottom of the app and select our organisation. You can donate 25%, 50%, 75% or 100% of your electronic wallet each month.

What does it cost *Retina Australia*? Absolutely nothing. *Sipora* charges their users (you, our supporters) \$1.50 a month to use the “give to charity” feature, with that cost taken directly from your electronic wallet.

Sipora is safe, secure and expanding everyday to provide you with more options to save money, pay off debt, purchase discounted retail items and of course be able to donate to *Retina Australia*.

If you have any enquiries about the app and utilising the charity feature, do not hesitate to contact Faik Demir, Marketing and Fundraising Manager via email faik.demir@retinaaustralia.com.au or phone (03) 9650 5088.
